Projects

Snowflakes

Bring the magic of the sparkling snow indoors with this simple craft project. Make several or hang an entire groups' snowflakes to create an indoor winter wonderland.

Materials Needed:

- [Creative Sticks](#)
- [Glitter](#) - Silver, Sky Blue and Turquoise
- [Nylon Filament](#)
- White School Glue

Instructions:

1. Use 5-6 [Creative Sticks](#) for each Snowflake. Arrange sticks in what ever pattern you choose. Glue sticks where they overlap and set aside to dry.
2. After Snowflakes have dried add [Glitter](#) using white school glue. Set aside again to dry.
3. Tie [Nylon Filament](#) around Snowflake and hang.
